Office of Legislative Counsel

OLC RECORD COPY 1 9 MAY 1978

OLC: 78-1942/a

Honorable Jacob Javits
United States Senate
Washington, D.C. 20510

Dear Senator Javits:

STAT

Thank you for your note of 5 May 1978 on behalf of your constituent [ ].

In regard to the specific possibility that [ ] may have   STAT
been an unwitting target of drug experimentation by CIA, the recently
discovered files on Project MKULTRA do contain evidence that research
involving human testing was conducted in the fields of behavior control
using techniques involving hypnosis, drugs, etc. However, our records
indicate such testing on unwitting subjects ceased in 1964. Unfortunately,
Project MKULTRA files do not contain the names of persons who may have
been used as subjects and we have no way of determining whether or not

STAT [ ] was involved.

In order to determine what files or records, if any, this Agency
STAT   may have on [ ] his letter has been forwarded to Mr. Gene F.
Wilson, our Information and Privacy Coordinator, who will initiate an
appropriate review of Agency files. Mr. Wilson will correspond with
STAT   [ ] on this matter and will furnish the results of the Agency's
review directly to him.

We appreciate your personal interest. In accordance with your
STAT   request, I am returning [ ] letter to you.

Sincerely,

/S/

Acting Legislative Counsel   STAT
